PROFILE

I'm a Frontend Web Developer with a unique combination of skills and experience. My expertise in languages such as JavaScript, React.js, HTML, and CSS allows me to deliver quality work on a range of projects. I value collaboration, diversity, and innovation, and I enjoy working with and learning from different people and perspectives. I believe that I can bring my experience, and enthusiasm to any team or project I join.

EXPERIENCE

TECHNICAL LEAD, PICSART ACADEMY - JAN 2024 - MAY 2024

Moviato is an innovative movie suggestion platform designed to transform the way users discover and enjoy films. Find further information **here**.

FRONTEND DEVELOPER, PICSART ACADEMY - NOV 2023 - JAN 2024

During my involvement in the development of the Academy-platform software, I adeptly applied my expertise in TypeScript, React.JS technologies. This project provided an opportunity to leverage my skills in frontend development to create a robust and user-friendly platform.

PRACTICE LEAD, PICSART ACADEMY/CODE REPUBLIC LAB - OCT 2023 - JAN 2024

As a JavaScript Practice Lead, my primary role is to actively support students in mastering the effective use of JavaScript skills. I facilitate interactive exercises to help participants deepen their understanding of JavaScript concepts, enhance problem-solving abilities, and gain valuable real-world programming experience.
